

ASX ANNOUNCEMENT

4 July 2022

FY22 Revenue Guidance

- Biome records unaudited ~\$4.12m FY22 sales revenue, up 78% Vs FY21
- Biome records unaudited ~\$1.39m Q4 FY22 sales revenue, up 50% Vs Q3 FY22

Microbiome health company **Biome Australia Limited** (ASX: BIO) ('Biome' or 'the company') is pleased to announce unaudited full year sales revenue of ~\$4.12 million and Q4 unaudited sales revenue of ~\$1.39 million.

These results represent an annual growth of 78% (vs FY21 audited sales revenue) and quarter-on-quarter growth of 50% (vs Q3 FY22).

Biome Australia's Managing Director and Founder, Blair Norfolk commented:

"I am delighted to share the significant sales revenue growth of Biome Australia for financial year 2022 (up 78% vs FY21). Particularly encouraging are the Q4 results, (up 50% vs Q3) which represent our best quarter to date. The strong end to the year points toward continued growth into financial year 2023, supported by the launch into the Priceline Pharmacy group in Q1 FY 2023."

-ENDS-

Approved for release by the Biome Australia board of directors.

About Biome Australia Limited

Biome Australia develops, licenses, commercialises and markets innovative, evidence-based live biotherapeutics (probiotics) and complementary medicines, many of which are supported by clinical research. Biome aims to improve health outcomes and quality of life, and make its products accessible to all.

Incorporated in Australia in 2018, Biome distributes locally and abroad. In partnership with some of the world's leading organisations in microbiome research and development, Biome produced several unique live biotherapeutic (probiotic) products with innovative delivery technologies that improve their stability and efficacy to create its flagship range of complementary medicines: Activated Probiotics®.

Supported by clinical research, including randomised double-blind placebo-controlled trials, Activated Probiotics help prevent and support the management of various health concerns, including low mood and sleep, bone health, iron malabsorption, mild eczema and IBS. Through practitioner-only distribution, Biome is committed to educating health professionals on the newfound systemic health effects of the gut microbiota, helping them to provide innovative, evidence-based natural medicines for the management of some of humanity's most prevalent and chronic health concerns.

this release is for illustrative purposes only and is not represented as being indicative of Biome's views on its future financial condition and/or performance. The historic financial information for the September 2021 financial quarter and revenue figures for October and November 2021 have not been audited or reviewed by Biome's auditors. Such information should not be taken as a guide for future performance.

Nothing in this release is a promise or representation as to the future. No representation or warranty, express or implied, is made as to the accuracy, likelihood of achievement or reasonableness of any Forward Looking Statements contained in this release. Except as required by law or regulation (including the ASX Listing Rules), Biome does not undertake to provide any additional or updated information whether as a result of a change in expectations or assumptions, new information, future events or results or otherwise.

To the maximum extent permitted by law, Biome excludes and expressly disclaims all liabilities in respect of, and makes no representation or warranty, express or implied as to the fairness, currency, accuracy, reliability or completeness of information in this release or the accuracy, likelihood of achievement or reasonableness of any Forward Looking Statements (or any event or results expressed or implied in any Forward Looking Statements) contained in, implied by, the information in this release or any part of it, or that this release contains all material information about Biome or which a prospective investor or purchaser may require in evaluating a possible investment in Biome or acquisition of securities in Biome.

Investors are strongly cautioned not to place undue reliance on Forward Looking Statements, particularly in light of the current economic climate and the significant volatility, uncertainty and disruption caused by the Covid-19 pandemic.
